**VODAFONE LIVE!
SONGS AND VIDEOS FROM THE 2005 EDITION OF FESTIVALBAR**

Milan, June 23, 2005 – Vodafone live! is offering music fans a special service on Festivalbar 2005, featuring all the songs, stageside news and backstage videos.

Customers can use the Vodafone Juke Box to download full-track versions of all the most popular songs from the year's edition, whilst fans can personalise their cell phones with Real Music Ringtones or Ringing tones. The curious can find exclusive film shot backstage during the summer music festival.

The special Festivalbar area also offers information on the artists and presenters, the various venues and the programme for each evening.
