

OMNITEL REACHES OVER 4,700,000 CUSTOMERS

Milan, September 10, 1998

Omnitel continues to grow, reaching today over 4,700,000 customers. Moreover, according to the last edition of Financial Times Mobile Communications, Omnitel is the 3rd GSM operator in Europe. This rank has been reached in little more than 2 and half year of commercial activity, a record time.
